

**REMARKS**

Claims 1-19 are pending in the instant application. Claims 20-28 have been added. Accordingly, claims 1-28 will be pending in the instant application.

New claims 20-28 have been added in order to reintroduce dependencies that were removed in the Preliminary Amendment of December 20, 2004, in which claims 8-16 were amended merely to reduce claim fees by removing multiple dependencies. Support for new claims 20-28 can be found, at least, in claims 8-16 of International Application No. PCT/GB2003/002701, to which the instant application claims priority.

*No new matter has been added.*

As discussed during the telephone conference of October 9, 2007 between the Examiner and Applicant's agent, Applicant appreciates the Examiner's willingness to consider the claims introduced with this amendment.

Applicant has included appropriate fees for the additional claims introduced herein. If additional fees are due, please charge our Deposit Account No. 12-0080, under Order No. ISI-005US from which the undersigned is authorized to draw.

Dated: October 10, 2007

Respectfully submitted,
